Enquiries regarding the number of incidents when crews were assaulted by
members of the public
Date of response: 09.06.2015

Dear XXX

I am writing regarding your recent request for information from Somerset Waste Partnership, which has been dealt with under the provisions of the Freedom of Information Act 2000. Somerset Waste Partnership is a partnership of Mendip, Sedgemoor, South Somerset and West Somerset District Councils, Taunton Deane Borough Council and Somerset County Council. This response covers all those partner authorities.

In response to your questions: -

1. In the last financial year 2014/15 how many incidents did your authority record where refuse collectors were assaulted by members of the public while carrying out council duties? Please give a brief description of the circumstances of the incident. NOTE: By refuse collectors I mean all employees whose main duties are involved in the collection of rubbish (all types) from homes and businesses with your authority.

- In the year 2014/15 we have had no incidents reported to us where a member of the public has assaulted our collections staff whilst carrying out their duties.

NOTE: If the refuse collection duties are carried out by a third party company hired by the council the information is still HELD by the council, because it is information held on your behalf.

If you feel your request has not been answered in sufficient detail or if you wish to clarify the information given please contact me and I will be happy to address the issues you raise.

If you are not satisfied with the way in which your request has been dealt with, or the information you have received, you can ask for an internal review of our decision.
