

# Only this stuff goes in your recycling boxes...

**Broken or missing container?**  
You can order (free) online or by contacting your local council.

**Remember to recycle your food waste, too**  
It's used to make electricity at a facility near Bridgwater.

Paper including newspapers, magazines, catalogues, mail.

Metal packaging including cans, steel jar lids, and foil (rinse) and empty aerosols

Glass bottles and jars (rinse)

Textiles and shoes (bagged to keep dry, no stuffed items) on top of boxes.

Cardboard (flatten boxes)

Plastic bottles (rinse and squash)
